## PORTLAND MARKETS

Latest Quotations in the Portland Markets.

Complete Market Reports Corrected Each Day, Giving the Wholesale Prices of Commodities, Farm Produce and Vegetables.

PORTLAND, Feb. 1.—There is a demand for dressed meats, and yesterday more veals and hogs will be moved. Better weather may prove receipts, for farmers can now haul to shipping points with some hope of getting through. Chickens still drag, and even a cut in price does not seem to develop an improved demand. Eggs keep along from 35c and 37½c but that quotation may be a one-day proposition, as most houses expect heavier receipts in the next few days.

### BROWN STUDIES QUAKE.

Savant of Brown University Goes to Jamaica.

KINGSTON, Feb. 1.—Professor Brown of Brown University is here studying the earthquake. He stated that the intensity of the earthquake here was slightly less than at San Francisco.

He says the area of the shock covered Jamaica and Cuba, but the area of intensity was confined to Jamaica. He says the earthquake was caused by a readjustment of the earth's crust around Kingston. Slight shocks show that the readjustment is not yet complete.

Five shocks were felt here Tuesday night and Wednesday morning.

### Pirating Foley's Honey and Tar.

Foley & Co., Chicago, originated Honey and Tar as a throat and lung remedy, and on account of the great merit and popularity of Foley's Honey and Tar many imitations are offered for the genuine. These worthless imitations have similar sounding names. Beware of them. The genuine Foley's Honey and Tar is in a yellow package. Ask for it and refuse any substitute. It is the best remedy for coughs and colds. T. F. Laurin, Owl Drug Store.

### CHANGE CONSTITUTION.

NEW YORK, Feb. 1.—A meeting of the board of review of the National Trotting Association was held yesterday at the Hoffman House to revise the by-laws and constitution to conform with the increased membership. When the annual dues were reduced at the last meeting from \$1,000 to \$500, every trotting association in this circuit joined. It was found necessary to make several changes in the by-laws to meet the new conditions. In addition several unimportant matters were left over from the last meeting and were disposed of.

The editor of the Memphis, Tenn., "Times" writes: "In my opinion Foley's Honey and Tar is the best remedy for coughs, colds and lung trouble, and to my own personal knowledge Foley's Honey and Tar has accomplished many permanent cures that have been little short of marvellous." Refuse any but the genuine in the yellow packages. T. F. Laurin, Owl Drug Store.
